Education

2021 - 2025	**Btech** in KL Deemed to be University. *Currently pursing Electronics and computer science Engineering* *CGPA : 9.24 (till third semester)*
2019 - 2021	**Intermediate** in Sri Chaitanya junior college. *Scored 970/1000 Marks*
2018 - 2019	**High School** in Ravindra Bharathi School. *Completed 10th standard with 10/10 Cgpa.*

Skills

Languages	Strong reading, writing and speaking competencies for English and Telugu
Coding	C,Java,Data Structures and Algorithms,SQL,Embedded C
Databases	Oracle
Web Dev	Html, Css,Javascript,Jdbc,Servlet,JSP
Other	Git,Apache Tomcat Server,Dbms,Computer Networks,IOT

Projects

February 2023 - till date

Online Examination Portal - Simple dynamic website

 Github repository link

Developed an Online examination portal utilizing a combination of front-end technologies including HTML, CSS, and Javascript. Back-end programming was executed utilizing Java Servlets,Jsp and Java Database Connector. Data was stored and accessed using an Oracle Database, ensuring secure and efficient management of all exam-related information.

September 2022 - October 2022

Attendance Management System using Java,OOPS Concepts.

 Github repository link

Developed a attendance management system using Java programming language, employing advanced object-oriented concepts such as inheritance, interface, abstraction, and more. The system was divided into two packages, ensuring ease of use and efficient management of attendance data. This project showcases my expertise in Java programming, as well as my ability to apply advanced object-oriented concepts to create a scalable, user-friendly solution

January 2022 - February 2022

Simple Bank Management System using C programming.

 Github repository link

Simple employee management System was developed using concepts of programming like arrays,string functions and structures.

Positions of Responsbility

2022 – · · · · **Technical Coordinator,** Essence (Student Body Organization),KLEF
Manage technical aspects of events organized by the student body organization, including planning, setup, and troubleshooting of audiovisual and other technical equipment.

Miscellaneous Experience

Certification

2023 **Java(Basic)** by Hacker Rank.

SQL (Basic) by Hacker Rank.

Beginner's guide to Web Development by Infosys Springboard.

Database Management System by Infosys Springboard.
